A Look at Tonight's Game

Missouri Southern State College of Joplin, Mo. furnishes the opposition for the opening of the 1972 football season at Fort Hays State.

Revenge is probably in the minds of the Lions as they fell to FHS at Joplin last year in the season opener 37-3. Under the tutelage of second year Coach Jim Frazier, MSC is expected to improve on their 4-6 mark of 1971.

Lions to watch in tonight's opener include tailback Terry Starks. Starks is a 6-2, 210 All-America candidate who was the Lions' number one rusher in 1971. On defense, the Green and Gold will be paced by another All-America candidate, Barry Korner. Korner is a 6-2, 195 linebacker who was involved in 143 tackles last season. Korner was also voted Most Valuable Player on the Lion squad last year by his teammates.

The Tigers are trying to give new Head Coach Bill Giles his first win as the Bengal boss. The Black and Gold will have record setting wide receiver John Woodworth, who holds seven Tiger marks and is in striking distance of two others, as an offensive threat.

Defensively, the Bengals to watch are the linebackers. J. D. Armstrong, 6-0, 230, heads the backers from his middle position and receives help on the outside from transfer Bill Merritt, 5-10, 210, and letterman Gary Marvine, 6-2, 210. Jonathan Douglas, the "Waterbug," mans a new position for the opener, making the move from quarterback to defensive back.

Defensive coach Jerry Cullen stated that the pride and enthusiasm of the squad could make them tough as the year goes on. FHS fans hope that the pride and enthusiasm start today and carries on until the end of the year when football fortunes will at FHS again be on the winning side.

Even the toughest need protection. Shoulder pads, hip pads, helmet—with these, a player can give the game all he's got without fear of injury.

Life is much the same. Good health is important, but to get the most out of life, you need protection, too. That's where Living Insurance comes in. It can give you the security of knowing that your family will be protected, if you die. And, it can provide a reserve of funds for emergencies, education, retirement. To find out more about Living Insurance, call you Man from Equitable, today.

A LOT OF LITTLE CARS HAVE TWO DOORS. THIS ONE HAS TWO ROOFS.

Vega is a little more car than a lot of little cars.

The roof, for instance, is constructed of not one but two separate steel panels, one under the other, to add strength and quiet to the car.

And although, like we said, a lot of little cars have two doors — very few of them have steel guard beams built into them, like the Vega doors do.

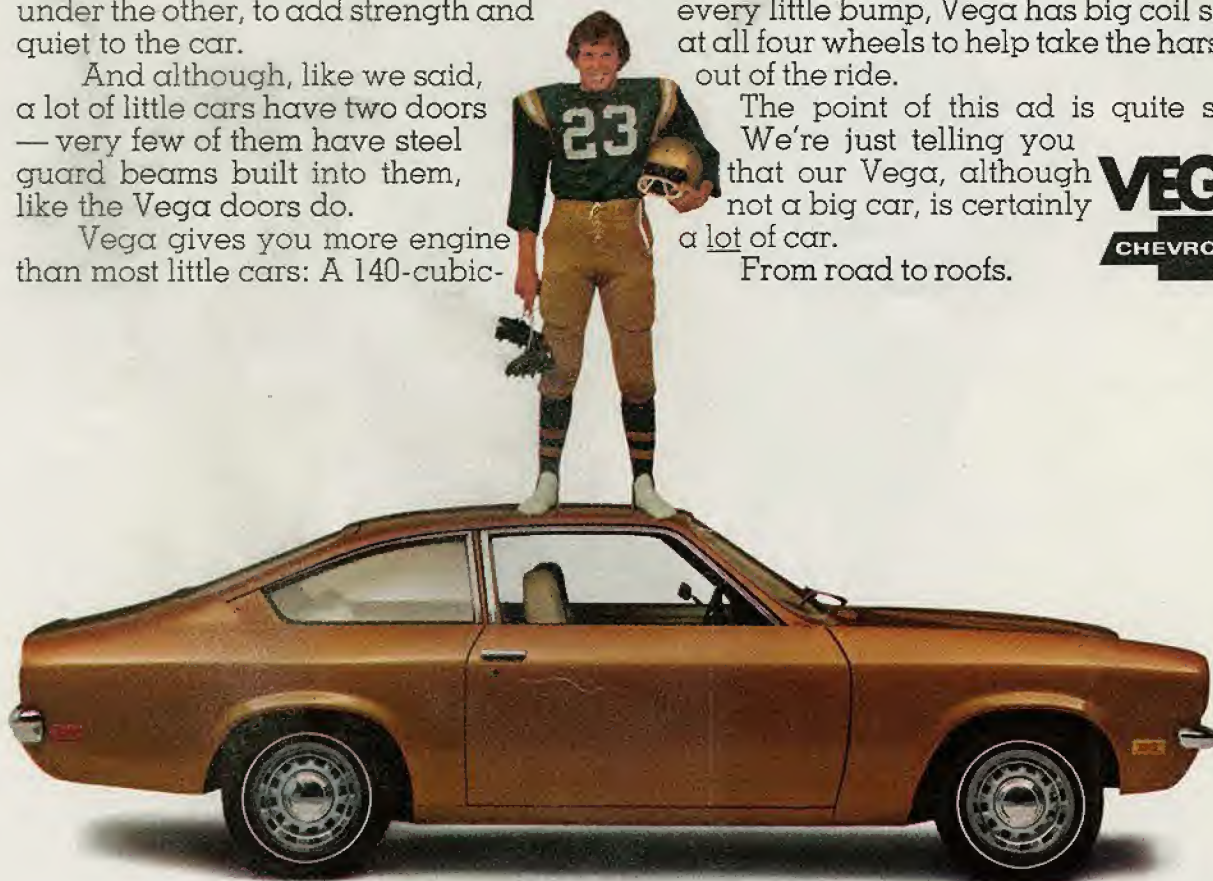

Vega gives you more engine than most little cars: A 140-cubic-

inch overhead cam four that can handle turnpike speeds quite comfortably without a lot of straining.

And where some little cars let you feel every little bump, Vega has big coil springs at all four wheels to help take the harshness out of the ride.

The point of this ad is quite simple. We're just telling you that our Vega, although not a big car, is certainly a lot of car.

From road to roofs.

Chevrolet. Building a better way to see the U.S.A.

Highway safety begins at home. Buckle up before you leave.

Leader of the Marching Tigers

Lyle Dilley has been the director of the Fort Hays State Marching Tiger Band since he joined the FHS staff in 1961.

Dilley received both his bachelor of music education and master of science degrees from the University of Wichita and taught in the Wellington public schools for 10 years. While at Wellington, Dilley won eight consecutive first division awards in music contests and two consecutive first division awards in marching contests at Wichita University.

While at Fort Hays State, Dilley's bands, flag girls, and Tiger Debs have performed at all FHS home football contests and at halftime ceremonies of the Kansas City Chiefs. The Tiger pep band is present at all home games during the basketball season. His bands have won many awards and honors while under his direction. The Tiger band plays the host for the annual band camp at FHS each fall.

Dilley is also the conductor for the civic symphony, besides his duties as an instructor on the campus.

Dana Sayre, Dodge City, has been awarded a twirling scholarship at Fort Hays Kansas State College. Dana has been selected as feature twirler with the Marching Tiger Band which consists of 135 bandsmen, a 16-member Flag Corp, and the 40-member Tiger Debs. The Tiger Band, under the direction of Lyle Dilley, began rehearsals the latter part of August.

Miss Sayre has been active in twirling at both Dodge City Junior and Senior High Schools, performing as line twirler, head twirler, and in her senior year, feature twirler with the Red Demon Marching Band. Dana, the daughter of Mr. and Mrs. Merle Sayre and the grand-daughter of Mrs. Thelma Thompson, has been active in Honor Society, Usherettes, Student Council, and Secretary of Band Council.

The Marching Tiger Band will perform at all home games. They will feature a pre-game exercise and also will provide the Bengals fans with excellent half-time entertainment.

National Champ

Jim Birnbaum, a junior from Wakeeney, last year paced the Fort Hays State track team in the National Association of Intercollegiate Athletics track meet in Billings, Mont., by capturing the 3,000 meter steeplechase title. Birnbaum toured the course in 9:16.

For the last two years, Birnbaum has been a member of the FHS track and cross country teams. Last season besides his national championship, Birnbaum copped the Rocky Mountain Athletic Conference Plains Division in the steeplechase running the course in 9:34. In this meet, he also took third place in the three mile run in a time of 14:46.

In the RMAC championships, Birnbaum again headed the field in the steeplechase in a time of 9:37.5. In the three mile run, he managed a fifth place finish with a 15:24.9.

As a cross country man, Birnbaum took first place in the FHS-Kearney State dual meet, completing the four mile run in 21:19. In the RMAC cross country championships, Birnbaum was 14th in a time of 27:08, while at the Nationals he finished 32nd.

Birnbaum returns to FHS this season and is expected to be one of the main cogs in Head Coach Alex Francis' cross country and track machine.

FORT HAYS STATE'S CHEERLEADERS for 1972 take a break with nature before leaving for the stadium to back the Tigers. Yell leaders for the Bengals are (from left to right sitting) Mary Jo Feaster, Syracuse sophomore; Debbie Gilger, Hutchinson sophomore; Pat Pahls, Downs junior. (From left to right standing) Jo Holzwarth, St. Francis sophomore; Annette Sulzman, Oberlin junior; Karen Steen, La Crosse sophomore.

Birth of New Athletic Conference

The birth of the Great Plains Athletic Conference actually came with the reorganizing of the reorganized Rocky Mountain Athletic Conference which was born in 1969. The GPAC, which begins competition in the football season of 1972, is made up of the members of the Plains Division of the old 15-member RMAC.

The Mountain Division of the old RMAC retained the same teams as well as the name of the conference. Both new conferences will continue to operate under the direction of Commissioner Harry B. (Doc) Kinseley. The commissioner's office remains in Denver at 1423 South Garfield (telephone: 303-756-6311, zip code 80210).

The only real difference between the new set-up and the old is that winners in the two conferences will not play for an overall title as they did in the division set-up, and sports involving conference meets (e.g. wrestling, track, etc.) will no longer involve all fifteen schools of the old RMAC.

The main cause for the new GPAC was the growing expense of running college athletic programs. The travel involved in the RMAC was causing expenses that were beyond the means of most of the member schools.

Fort Hays State competes in eight of the nine GPAC sports. FHS dropped its swimming program some years ago, but there is talk of reviving it after the new HPER fieldhouse and pool are completed. While FHS does compete in gymnastics, the conference does not provide competition in that sport.
